Terran Orbital to Build Microsatellite Program

Terran Orbital to build and support three microsatellite class satellites for Lockheed Martin Aeronautics

BOCA RATON, Fla. – Feb. 17, 2022 – Small-satellite pioneer Terran Orbital Corporation (“Terran Orbital”) was awarded a contract by Lockheed Martin Aeronautics to provide three microsatellite class satellites, launch procurement, integration, and operations in support of product demonstration.

“We are thrilled Terran Orbital will be part of another program with Lockheed Martin. This contract award provides an exciting opportunity for the company to demonstrate our capabilities as a small satellite provider delivering cost-effective end-to-end solutions enabling missions,” said Marc Bell, Co-Founder, Chairman, and Chief Executive Officer of Terran Orbital.

“At Terran Orbital we pride ourselves on creating high quality, cost-effective satellite solutions that surpass the customers’ needs,” said Matt Gann, Senior Vice President of Programs at Terran Orbital. “It is a privilege to evolve our agile aerospace processes as we expand our partnership with the top defense contractor in the world, Lockheed Martin.”

“This project will allow us to demonstrate enhanced capability in a series of key technology areas. We look forward to working with the team to deliver critical solutions,” said Daniel Markham, program director, Lockheed Martin Skunk Works®.

Terran Orbital has previously announced that it entered in a business combination agreement with Tailwind Two Acquisition Corp. (NYSE: TWNT), (“Tailwind Two”), a special purpose acquisition company (SPAC), pursuant to which Terran Orbital will combine with Tailwind Two.

About Tailwind Two Acquisition Corp.

Tailwind Two is a blank check company “for founders, by founders” – formed for the purpose of effecting a merger, capital share exchange, asset acquisition, share purchase, reorganization, or similar business combination with one or more founder-led businesses in a sector being disrupted by technological change. A list of the names of such directors and executive officers and information regarding their interests in the potential transaction are included in the Proxy Statement/Prospectus.

Non-Solicitation

This press release and any oral statements made in connection with this press release shall not constitute an offer, nor a solicitation of an offer, of the sale or purchase of any securities, nor shall any securities of Terran Orbital or Tailwind Two be offered or sold, in any jurisdiction in which such an offer, solicitation or sale would be unlawful.

Neither the SEC nor any state securities commission has approved or disapproved of the transactions contemplated hereby or determined if this press release is truthful or complete. Any representation to the contrary is a criminal offense. Nothing in this press release constitutes investment, tax or legal advice or a recommendation regarding any securities. You should consult your own counsel and tax and financial advisors as to legal and related matters concerning the matters described herein, and you must make your own decisions and perform your own independent investment and analysis of the potential transactions.

Special Note Regarding Forward-Looking Statements

This press release includes certain forward-looking statements, estimates, and projections provided by Terran Orbital that reflect management's views regarding the anticipated future financial and operating performance of Terran Orbital. Forward-looking statements are statements that are not historical, including statements regarding operational and financial plans, terms and performance of Terran Orbital and other projections or predictions of the future. Forward looking statements are typically identified by such words as "project," "believe," "expect," "anticipate," "intend," "estimate," "may," "will," "should," and "could" and similar expressions. Such statements, estimates, and projections reflect numerous assumptions concerning anticipated results. Forward-looking statements in this press release may include, for example; statements about Terran Orbital's industry and market sizes; future opportunities; expectations and projections concerning future financial and operational performance and results of Terran Orbital; and the potential transactions, including items such as the implied enterprise value, ownership structure, the amount of redemption requests made by Tailwind Two's shareholders, the ability of Tailwind Two to issue equity or equity-linked instruments in connection with the potential transactions or in the future, the likelihood and ability of the parties to successfully consummate the potential transactions, and those factors set forth in the section entitled "Risk Factors" and "Cautionary Note Regarding Forward-Looking Statements; Market Ranking and Other Industry Data" in the Proxy Statement/Prospectus. As these assumptions may or may not prove to be correct and there are numerous factors which will affect Terran Orbital's actual results (many of which are beyond Terran Orbital's control), there can be no assurances that any projected results are attainable or will be realized. Terran Orbital and Tailwind Two disclaim any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events, or otherwise, except as required by law. Terran Orbital's actual results may differ materially from those set forth in this press release. Accordingly, no representations are made as to the accuracy, reasonableness or completeness of such statements, estimates, or projections.
